SHERIFF MARK LANDERS
Chief Deputy Joshua Pharis

To Whom It May Concern,

This letter is a request on the behalf of the Logan County Sheriff's Office DARE program. Each year we ask our supporters to donate money to help support this valuable program. The money donated to the Logan County Sheriff's Office DARE program stays within our community and is used to educate our young children on the dangers of drugs, alcohol abuse, bullying, and formulating good decision-making skills. The funds provide educational workbooks, school supplies, clothing and toys that are needed in the community.

The Logan County Sheriff's Office, in an effort with local schools, has made it a mission to have a better relationship with our young people. Our deputies make it a point to have daily interaction with our schools in an attempt to promote positive relationships between the Sheriff's Office and our youth. We also spend an extended amount of time with our 5th grade students educating them on the power of good decision making to assist them when they encounter difficult situations.

Each year, DARE students are invited to a baseball game, participate in graduation ceremonies, and receive gifts and t-shirts from the program. The DARE program relies on your generous donations to fund these activities. As DARE officers, we have witnessed firsthand how successful this program is in the life of our Logan County youth. It is our goal to continue to grow this program within our community.

The Logan County Sheriff's Office provides DARE education at Chester-East Lincoln school, Hartsburg-Emden school, Mt. Pulaski school, New Holland-Middletown school, West Lincoln-Broadwell school, and Zion Lutheran (Mt. Pulaski) school. If you are able to donate any money to help in our efforts to educate the youth of our community, please send your donation to:
